## Introduction

**TESOL CERTIFICATION ONLINE PROGRAM** for *Teaching Young Learner Students & Adult Students* is a classroom-based course that focuses on the fundamental and practical areas of teaching English and adult students of today and the future. The course includes 5 to 10 hours of teaching practice with an actual student of English. It is the most fundamental and practical area of our whole TESOL Training Program. All trainees are sent to real classes to teach actual, local students of English and put into practice the knowledge and skills gained from the program. This course will equip you with the skills and knowledge necessary to effectively teach English to speakers of other languages (ESL).

### Expand Your Opportunities

This TESOL training course is a valuable investment that can open doors to exciting career opportunities.

### Deepen Your English

You will delve into grammar, linguistics, and the fascinating world of language acquisition, making you a more confident and effective communicator yourself.

### Sharpen Your Teaching Skills

The skills you learn in this course will enhance your teaching skills in any subject to speakers of other languages (ESL).

I LEARN  
ENGLISH
